

Hand sanitiser stand

phs hand sanitiser stand

> A wipe clean stand for use with **phs** automatic liquid and automatic foam sanitiser dispensers

The **phs** hand sanitiser stand provides a professional way to provide sanitiser at a designated station. The stand has clear signage to encourage increased hand hygiene on your premises and shows users where to place their hands to activate the no-touch dispenser.

Covid-19 preparation

All public spaces, whether it's a healthcare setting, retail, commercial or business premises, need to provide sanitation procedures and areas to help protect visitors, customers and employees.

Key features:

- Automatic hand sanitising stand, the stand will need to be paired with a suitable **phs** dispenser.
- Stand and chosen dispenser will be installed by a trained **phs** service technician.
- **phs** will complete all servicing and maintenance of the dispenser as part of a service agreement.
- Dispenser is securely locked to avoid any unwanted mess.
- No electrical installation, the hand sanitising dispenser runs on batteries.

Product specification

Stand height	150cm
Base plate	39cm x 40cm
