

# Hazardous / Offensive **Waste Collection**

> Hygienic and efficient disposal of hazardous waste

## Specialist vehicle ensuring the hygienic collection of all offensive waste

### Key features :

- Eurobins are located externally helping you minimize odour from inside your premises
- National hazardous waste collection service
- Discreet & tailored service scheduled at a time that suits you

### Innovation & design

Universal bin key & locks for security to help reduce vandalism and fly tipping.

### Construction

Container made from high density polyethylene, providing protection against the combined effect of UV rays and water.

### Fully compliant

Fully licensed and compliant with all waste management regulations.

### Environmentally conscious

The bin is fully recycled at the end of its life. Each vehicle is fitted with a GPS tracking device to help improve route planning and reduce vehicle emissions.

Eurobin 240L   Bags: 3-5 (guide)
