

Waste containers

Clinisafe® ECO LOC

Clinical Waste Disposal

ECO LOC units provide a hygienic and efficient way to dispose of hazardous waste. 30 Litre, 50 Litre and 60 Litre options available.

Environmental benefits

- The Clinisafe range can help you reduce your carbon footprint, as every container is made from a 30% minimum of low carbon footprint recycled plastic.
- The range comes with a Porthole Lid and a Flat Lid.

30 Litre ECO LOC

50 Litre ECO LOC

60 Litre ECO LOC

Key features:

- Self-adhesive labels
- Carry handles
- Stackable base and lids
- Large aperture for safe disposal
